Pressure Treated (Tanalised) Timber Heavy Duty Workshops

The Trentan range of timber **Heavy Duty Workshops** are produced using high quality pressure treated redwood deal timber on a substantial framework. The roofs are made from the highly rated Onduline roofing. This gives an **unique 15 years guarantee** to the roof giving you long term peace of mind. The superb floor is also pressure treated using Tanalith. You can expect a very long life for your heavy duty workshop and the expected life span using Tanalith pressure treated timber is 15 years plus. **Trentan Tanalised Timber Workshops**

Industrial Storage Buildings and Workshops

These units are suitable for a wide range of uses, such as **industrial buildings and storage, site huts, large hobby workshops, storage shed or small retail units**. They are available in attractive timber, solid concrete, as well as strong, fire-resistant steel and metal. We can say with confidence that you will find the building that suits your requirements from our extensive selection. **Light Industrial Buildings**

Log Cabins and Garden Leisure Chalets - New Range

With their extra thick 44mm interlocking timber walls these Log Cabins are superbly strong and will last a lifetime. Made from either superb Redwood Deal, Douglas Fir, Thermowood or Cedar - all from managed forests - you know this is an ethically sound building for the 21st century. Whether your needs are for a stylish home office, a games room, gym or simply an exquisite space to relax and unwind in your garden then our 'English' home office will tick all the boxes. **Trentan Interlocking Log Cabins**

Garden Home Offices

Tired of working for someone else ? Ready to start your own business ? Or perhaps you simply need a bolt hole away from the noise and chaos of the home -- a place to play your favourite computer game or to surf the web ? We have the perfect solution - a made to measure **Garden Home Office! Garden Home Offices**

Domestic and Industrial Garages

A garage is an investment. Not only does it enhance the appearance and versatility of your home, it increases its value. It also protects another important investment -- your car. Choose from our wide range of quality **timber, steel, metal and concrete garages** in a vast number of sizes from three different manufacturers. **Domestic, Industrial Garages**

Metal & Steel Prefabricated Light Industrial Buildings and steel framed portable storage units in Steel and Metal. These light industrial buildings are available in any size or height to meet your needs and can be insulated up to habitable standards. Suitable for retail storage units. Very fast quoting system.

 **USA Garden Sheds & Cabins** Design garden sheds, storage sheds or pool houses on-line and purchase as a custom pre-fabricated kits. Free shipping in the continental United States and Canada for garden shed, storage shed, cabana, spa enclosure or cabin kits.

Conservatories Steel Bases from Eze-Conservatory Eze-Conservatory have the complete answer with their range of low cost Conservatories complete with a purpose built steel conservatory base. This eliminates the need for costly and expensive foundations.
